brought within Naval limits for consumption or use therein. It is not desirable for the Naval Council to levy duties on any timber sold in the Naval Dockyard or a log on [illegible] timber. The Naval Council have to be asked to frame a clear resolution as to whether they intend to levy duties and if so to restrict the levy to goods imported for consumption or use within Naval limits. As this proposal may affect the timber sales of Govt wood, the Conservator of Forests may also be consulted unofficially if necessary.

2062 Misc 24-25

2nd 61-24—123

In submitting herewith extracts of resolutions of the Municipal Council passed at their meetings held on 24th April and 31st May 1925 regarding the levy of Octroi duty on timber sold withing the Municipality, I have the honour to state that it was desirable to levy Octroi duty on all kinds of timber - sold within the Municipality, in view of its importance for -- trade with a view to improve the resources of the Municipality. Since the last two years the observations are being passed by Government while sanctioning the Budget estimates of the Council about the unsteadiness of the Council's finances and as it is likely to yield an income of about Rs 350/- by the levy of Octro duty on timber, this proposal was first considered by the Municipal Council at their meeting held on 24th April 1925 when it was resolved that in order to balance the Budget Octroi duty be levied on Teak and other kind of timber at 1 anna and 6 pies respectively per Cubic foot.

As required by rules objections were called for from the Public about the levy of Octroi duty at the rates sanctioned by the Council by notifying the proposal on 25th April 1925, but no objections were received in the matter within the time

allowed for the presentation of the same. One objection petition received just at the commencement of the meeting from -- some of the people in the town praying that Octroi duty on -- timber may not be levied was considered in the Extro-ordinary meeting held for the purpose on 31st May 1925. After a discussion of the matter and hearing the petition and representation of some timber merchants, the municipal council resolved by a -- vote of 11 people in favour and against 1 ( who wants to levy 4 pies and 2 pies respectively) that a ~~xxxx~~ cess at 6 pies per Cubic foot.for Teak timber ( excluding poles ) and 3 pies per Cubic foot for jungle and other kind of wood and even Teakwood - poles be levied as an experimental measure for one year with -- effect from 1st July 1925.

In accordance with the resolution of the Municipal Council and in view of the fact a sum of about Rs 750/- has been provided in the next year's Budget under Octroi for the increased realisation in respect of this item and that finance of the Municipality -- require to be improved as observed by Government in their Order - No. 1. 2756-57/M1. 167-22-63 dated 19th October 1923 and L.63-4/M1. 117-27-46 dated 5th July 1924, I request that the sanction of Government may kindly be accorded for the levy of Octroi duty in the -- Municipality on (1) Teak timber and (2) Jungle and other kind of - timber and teakwood poles at 6 pies and 3 pies respectively per - Cubic foot sold within the Municipal limits as an experimental -- measure for one year for being given effect to from 1st of July - 1925.

The copy of the notice publishing the proposed levy of the fees and calling for objections or suggestions thereto is herewith enclosed for favour of reference and early orders.

I have the honour to be,

Sir,

Your most obedient servant,

PRESIDENT,
MUNICIPAL COUNCIL TARIKERE.

MLA/13-6.

ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

The term "goods" has not been defined in the Municipal Regulation. The ordinary meaning of "goods" is chattels, wares, merchandise etc. (Vide Webster's International Dictionary) Chattels is any item of moveable or immoveable property except real estate or the freehold & the things which arise from land or it (Webster). So the purchase of the Chattels or sale of goods (Indian Contract Act) "goods" has been defined as meaning and including every kind of moveable property (Sec. 76 of the Act) So any item the term "goods" can be held to include Timber etc. — Jagrup
